

Project Completion Certificate

To: ZAKHER MARINE Saudi Co. Ltd

Date: May 11, 2026

Subject: Certificate of Successful Project Completion – Vessel: SWSV Casa Dagshai

TO WHOM IT MAY CONCERN

This certificate is hereby issued to formally acknowledge the successful completion of the project services assigned to the vessel Casa Dagshai under the framework of **CRPO # 86 & #128**.

Project Details:

- Vessel Name: **Casa Dagshai**
- Project Reference: **CRPO # 86 / #128**
- Project Duration: **August 2024 – May 2026**
- Project location: **Persian Gulf (Saudi Aramco)**
- Scope of Work: **Shallow Water Survey Operations**

Performance Summary: During the project execution period, from August **2024** to **May 2026**, the vessel **Casa Dagshai** successfully carried out the assigned **Shallow Water Survey Operations** in full compliance with the requirements of Saudi Aramco, under project **CRPO # 86/128**. The vessel consistently demonstrated a high standard of technical capability, operational efficiency, and navigational safety within shallow water environments.

All survey activities were performed in accordance with the approved specifications and project requirements, achieving the intended objectives to the satisfaction of the project stakeholders/client.

We acknowledge and appreciate the professionalism, dedication, and commitment displayed throughout the duration of this multi-year operation.
